Caring for the Earth

- We will help children to become more aware of the need to preserve and protect the earth.
- As children learn about the interdependence of living things, habitats, weather, and other elements, they will discover ways that they can help.
- Brainstorm with your child about ways they can help care for the earth.

Vision Statement

The vision of Holy Family School is to ensure faculty and staff deliver an effective Pre-K3-8 innovative program with Christian values. Our program promotes the spiritual, academic, cultural, emotional, moral, physical, and technological preparation for graduates to succeed in the high school of their choosing. Our students will enter the world as productive members of their families and society.

Mission statement

The mission of Holy Family School is to provide a holistic, Catholic education for children, to empower them to become confident, self-motivated, created learners prepared to live worthy lives for the good of themselves, the community, and the world.
